Our responsibility for loss or damage suffered by you

Whether you are a consumer or a business user:

- We do not exclude or limit in any way our liability to you where it would be unlawful to do so. This includes liability for death or personal injury caused by our negligence or the negligence of our employees, agents or subcontractors and for fraud or fraudulent misrepresentation.

If you are a business user:

- We exclude all implied conditions, warranties, representations or other terms that may apply to our site or any content on it.
- We will not be liable to you for any loss or damage, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, even if foreseeable, arising under or in connection with:
 - use of, or inability to use, our site; or
 - use of or reliance on any content displayed on our site.
- In particular, we will not be liable for:
 - loss of profits, sales, business, or revenue;
 - business interruption;
 - loss of anticipated savings;
 - loss of business opportunity, goodwill or reputation; or
 - any indirect or consequential loss or damage.

If you are a consumer user:

- Please note that we only provide our site for domestic and private use. You agree not to use our site for any commercial or business purposes, and we have no liability to you for any loss of profit, loss of business, business interruption, or loss of business opportunity.
- If defective digital content that we have supplied, damages a device or digital content belonging to you and this is caused by our failure to use reasonable care and skill, we will either repair the damage or pay you compensation. Uploading content to our site

Whenever you make use of a feature that allows you to upload content to our site, or to make contact with other users of our site, you must comply with the content standards set out in our Acceptable Use Policy as follows:

Prohibited uses

You may use our site only for lawful purposes. You may not use our site:

- In any way that breaches any applicable local, national or international law or regulation.
- In any way that is unlawful or fraudulent, or has any unlawful or fraudulent purpose or effect.
- For the purpose of harming or attempting to harm minors in any way.
- To send, knowingly receive, upload, download, use or re-use any material which does not comply with our content standards (see below).
- To transmit, or procure the sending of, any unsolicited or unauthorised advertising or promotional material or any other form of similar solicitation (spam).
- To knowingly transmit any data, send or upload any material that contains viruses, Trojan horses, worms, time-bombs, keystroke loggers, spyware, adware or any other harmful programs or similar computer code designed to adversely affect the operation of any computer software or hardware.

You also agree:

- Not to reproduce, duplicate, copy or re-sell any part of our site.
- Not to access without authority, interfere with, damage or disrupt:
 - any part of our site;
 - any equipment or network on which our site is stored;
 - any software used in the provision of our site; or
 - any equipment or network or software owned or used by any third party.

Interactive services

We may from time to time provide interactive services on our site. Where we do provide any interactive service, we will provide clear information to you about the kind of service offered, if it is moderated and what form of moderation is used (including whether it is human or technical).

We will do our best to assess any possible risks for users (and in particular, for children) from third parties when they use any interactive service provided on our site, and we will decide in each case whether it is appropriate to use moderation of the relevant service (including what kind of moderation to use) in the light of those risks. However, we are under no obligation to oversee, monitor or moderate any interactive service we provide on our site, and we expressly exclude our liability for any loss or damage arising from the use of any interactive service by a user in contravention of our content standards, whether the service is moderated or not.

The use of any of our interactive services by a minor is subject to the consent of their parent or guardian. We advise parents who permit their children to use an interactive service that it is important that they communicate with their children about their safety online, as moderation is not fool proof. Minors who are using any interactive service should be made aware of the potential risks to them.

Where we do moderate an interactive service, we will normally provide you with a means of contacting the moderator, should a concern or difficulty arise.
